

American Recovery and Reinvestment Act of 2009 (ARRA)
Section 1511 Infrastructure Certification

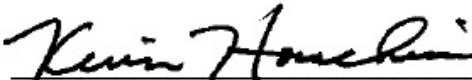

Title of the Project: McGregor High School Science Labs

Description of the Project: McGregor ISD will build two new science labs onto an existing wing of the campus. The project will allow MHS to meet state requirements in number of labs recommended for our student body, and the project will also allow us to meet the new state 4X4 requirements in math and science.

Estimated total cost: \$700,000

Amount funded by ARRA: \$600,00 over two years

*This project has received the full review and vetting by law and I accept responsibility that the infrastructure investment is an appropriate use of taxpayer dollars.
