Skyward Parent Access Program

• Guidelines for System Access •

- 1) Only the parent/guardian may request access to the Skyward system.
- 2) For confidentiality purposes, the district will not give account information via phone or fax.
- 3) The parent/guardian will be issued a unique account name and password. It is the sole responsibility of the parent/guardian to protect the security of their account. The district will not be responsible in the event the account information becomes possession of another person.
- 4) Inappropriate use of the Skyward online system (i.e. accessing records of non-family members or inappropriate communication via the system) will result in immediate loss of access.

Visit the MISD web site for additional information on the Skyward online system.
