Our custodial staff at primary does an amazing job at keeping it clean through out the day. I really worry about only having summer school for this summer when there is a good need for future needs.

Time to make sure that our young learners get the phonics instruction lost because of missed school, remote learning and masks. Gaps hurt, "may" need a couple of years to catch some kids up to still be on target to develop their reading skills sequentially. I know this isn't a statement that you don't know and that it will be hard to catch them all. Just on my heart and now in writing.

We need more kids in class and NOT longer or more days
